Exploration Packet

Hello!

We are so excited that you are embarking on this experience with Xperitas! The following are a few guidelines to follow for a successful time abroad.

Observe what locals do. When in doubt, ask! Be an active listener; use context and gestures to determine meaning. Focus on the positive.

Strive to **use the target language** to communicate with group members and native speakers.

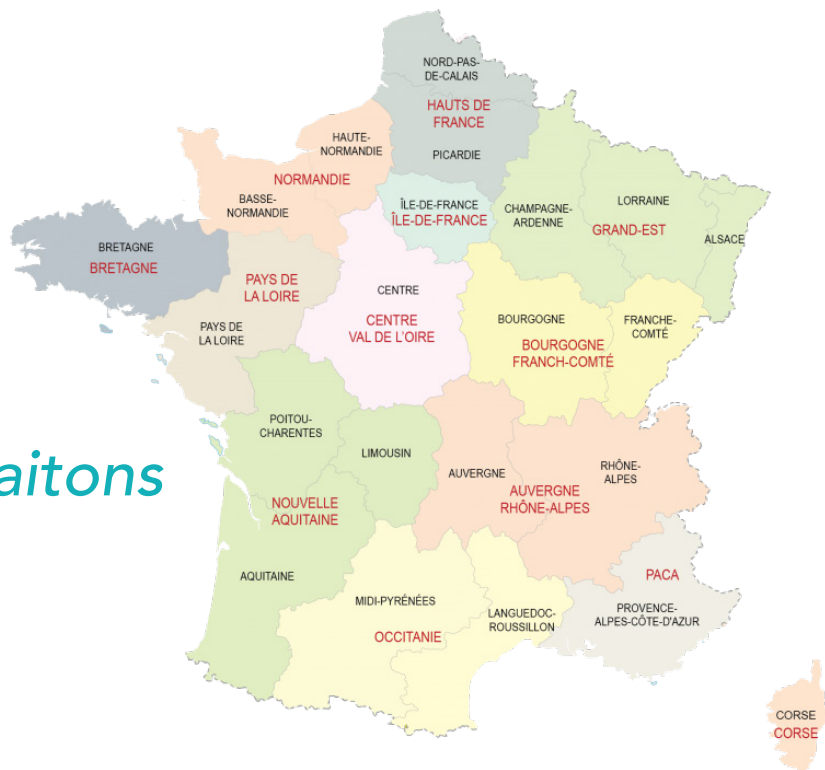

Try using new words that you've learned so you are more likely to remember them. When possible, jot them down or keep a note on your phone.

Expect to be very tired, both physically and mentally, at the end of each day. Go to bed at a decent time since you will likely wake up early every day. You need to be on time and in good shape.

Eat well at meals. Drink plenty of water and stay hydrated. Experience the sounds, smells, and tastes the country has to offer.

Be alert, keep track of your own belongings, be cautious when crossing streets, look out for other group members, and stay safe!

Keep this booklet with you so that you can write notes throughout the day as you observe and learn things.

*Nous vous souhaitons
un bon voyage!*
