

Dear Student:

Thank you for your interest in Xperitas' Edie Green Writers Scholarship. This scholarship is given in honor of one of our founders, Edie Green, who worked as a World Language teacher for many years and recognized the importance of writing skills. Up to four \$500 scholarships may be awarded in a given program year.

Eligibility:

1. You must be a student registered on an Xperitas Immersion program.
2. You must complete the requirements of the scholarship application and have them submitted by **October 15, 2025**.
3. You must agree to the post-program submission requirements.

Application Requirements:

1. Complete **Applicant contact information** and school information Section.
2. If you are under 18: secure a **parent's signature** confirming they have given permission to Xperitas to publish your writing.
3. Submit a short **author bio and photo** (They will accompany the scholarship recipients' work on the Xperitas website, on social media and wherever the author's work is posted).
4. Submit a **blog post and title**, 600-750 words that addresses the importance of World Language learning, language and cultural immersion. The criteria by which your writing will be judged are as follows:
 - **Title:** A good title makes thematic sense, is original and reflective of the tone and voice of the piece. A good title sparks intrigue and will let your audience know why they should read it.
 - **Voice/Tone:** The writer should be aware of their audience and use tone effectively to have maximum impact on its intended audience.
 - **Style:** The writing should be original while effectively covering the topic in an exciting manner.
 - **Organization:** An organized blog post should work toward a logical ending point while stirring thought regarding the topic along its way.
